AMENDMENT 59

OFFICIAL PLAN OF THE REGIONAL MUNICIPALITY
OF OTTAWA-CARLETON

PURPOSE

The purpose of Amendment 59 is to permit municipalities to approve rural lots in excess of the amount permitted by the policies of section 2.4.2.10 of the Regional Official Plan.

BASIS

The City of Kanata has reached its limit and the Township of Osgoode is approaching its limit of lot creation potential in the rural area. Other municipalities anticipate difficulties prior to completion of the official plan review. In order to provide temporary relief to these areas, pending completion of the Official Plan Review process, additional allocation will have to be provided.

THE AMENDMENT

Section 2.4.2.10 is hereby amended by adding the following as policy (11)

"(11) Nothwithstanding policies elsewhere in this Plan, one-half of Stage 2 population increase shown in Table 2-5 and 2-6 will be permitted to occur prior to 1991. This is in addition to the population increase permitted by Stage 1."
